The Kairaba Team is wishing you all a happy and prosperous 2010

What happened with The Team

Some changes within the kairaba team did occur with the coming of the Executive Chef Michael Dewsnap, Mr. Wayne Quin our new Food & Beverage Manager and Ms. Adama Nyang our Guests and F&B Coordinator who just returned from a two years intensive course in Travel & Tourism in the UK. With these newcomers, our aim is to excel in serving you as always, of course with the collaboration of the existing team.

International Events hosted by The Gambia and held at Kairaba Beach Hotel

The Gambia hosted The Eight Africa Regional Conference on Women Beijing + 15 from the 16 to the 20 of November, 2009 at the Kairaba Beach Hotel. The five days meeting attracted over 53 African Countries and is convened to discuss issues affecting women in Africa. Kairaba Beach Hotel was the venue for the African Satellite Communications meeting to review the IT development and mull its future strategy in the continent. The 11th Ordinary Meeting of Regional African Satellite Communications Organization (RASCOM) Assembly brought together African ministers of communication and information technology. The satellite is expected to provide high quality and low cost telecoms, Internet, television and radio services across the continent.
